SPONSORS OF MOUNTAIN
MAYHEM FOR THE
LAST 5 YEARS**

TWO EXCITING NEW KENDA FEATURES TO THE 2009 MOUNTAIN MAYHEM

1 Timed Kenda Klimb, with prizes.

Yep, You know You Love It, the Kenda Klimb, always a riders favorite, this year will be timed. There will be prizes for fastest riders, both Gents and Ladies, in the Day Light and in the Dark. Full details will be available at the event but one important note is timing will not start until 3 O'clock to give an hour to spread riders out.

2 Kenda Prize Plunge

Prize Every Time, it could be a Pair of Premium Tyres or if you are really Lucky some sweets. Plunge your hand in and see what you get. You get a Free Go if you buy a pair of tyres, or you can have a go for just £1.00.

TYRE SELECTOR · TYRE SELECTOR · TYRE SELECTOR · TYRE SELECTOR

SMALL-BLOCK-8

Possibly the grippiest tyre you have ridden. Super fast rolling with confidence giving cornering. Folding made with (DTC) L3R PRO / Stick-E

DRED TREAD

Dual Tread Compound (DTC) for longer tread life and added traction. Low profile knobs for more race speed. Lightweight and fast rolling.

ELMOCO

Large casing for better floatation, ramped centre knobs for speed. Proven World Cup winner design. Downhill (DH) wire bead versions feature 2-ply construction and Stick-E Compound.

K.O.T (KING OF TRACTION)

Dual Layer Rubber for increased wet-weather performance. Designed for wet/muddy and soft/loose terrain conditions. Aggressive knobs increase traction but are spaced far enough apart for tread clearing
