

PRESS RELEASE

ADIDAS THUNDER RUN 24HR

Running Imp is delighted to announce that it will be an official supporting sponsor of the Adidas Thunder Run 2010.

Running Imp is the UK's leading running event supplier, providing all the event essentials to many of the country's biggest races right down to the multitude of village fun runs which take place every weekend.

The company will be providing all the competitors numbers for the Thunder Run this year.

The medals for the event are being provided by **bespokemedals.com**, a new specialised medals division of Running Imp.

bespokemedals.com produced over 1,800 000 medals last year to events worldwide, making it the UK's largest supplier. New for this year, the company has just launched an innovative new website designed to revolutionise the way in which personalised medals are ordered.

“We are delighted to be continuing our excellent working relationship with the Adidas Thunder Run” said Managing Director at Running Imp and **bespokemedals.com** Chris Illsley. “The event really stands out in the running calendar. It's a unique challenge at a fantastic venue, and we are very proud to continue as a supporting sponsor”.
